# SAN JUAN ISLAND

San Juan Island is accessible by Washington State Ferries from Anacortes and from Sidney, B.C. *Friday Harbor* is the only incorporated city in the San Juans. On the island there are resorts, motels and B & B's.

The Islands are a hub for boat traffic from Anacortes, Bellingham, Port Townsend, Seattle, Victoria, B.C. and Sidney, B.C. With creative planning you can ride most of the boats to the San Juans and then transfer to another boat heading to a different port town on the mainland or one of the islands. Washington State Ferries run the route between Anacortes and Sidney, B.C.
