EASTERN WASHINGTON VISITORS CENTERS

Eastern Washington is an important source of travel and tourist dollars for businesses in Eastern Washington. The visitor information centers in Eastern Washington cities constantly request more copies of **Youra Guides and Maps** to give to travelers headed toward Puget Sound. The ferry schedules are especially requested and indeed hard to find in Eastern Washington, making the **Ferry Travel Guide** an "in demand" publication. Visitor Centers that are members of the Washington State Visitor Center Association have depended on this guide for 20 years. When your ad is circulated in the guide or on the map, your business will benefit from Eastern Washington business.
